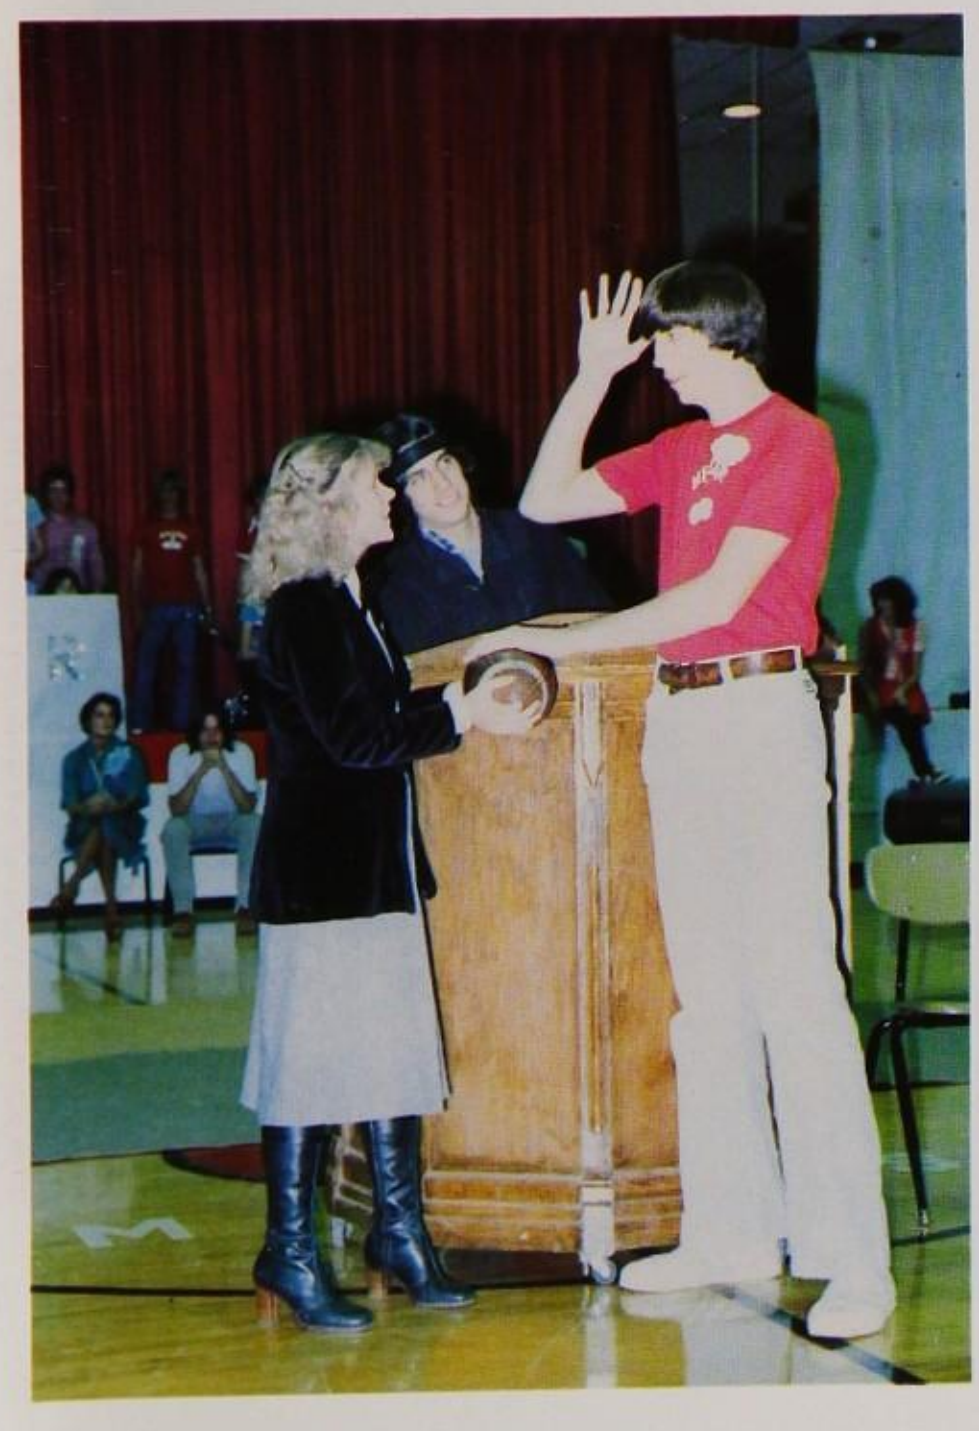
"The Last of the 70's"

The last of the seventies; the end of a decade. 1979 marks the end of the powerful, controversial time in which we have grown up.

We invite you to climb aboard the Miller time capsule as we take you on a journey through the seventies. We will relive the styles, music, entertainment, and highlights of these past ten years.

So climb aboard and hold on tight as we take you from the first to The Last of The Seventies.

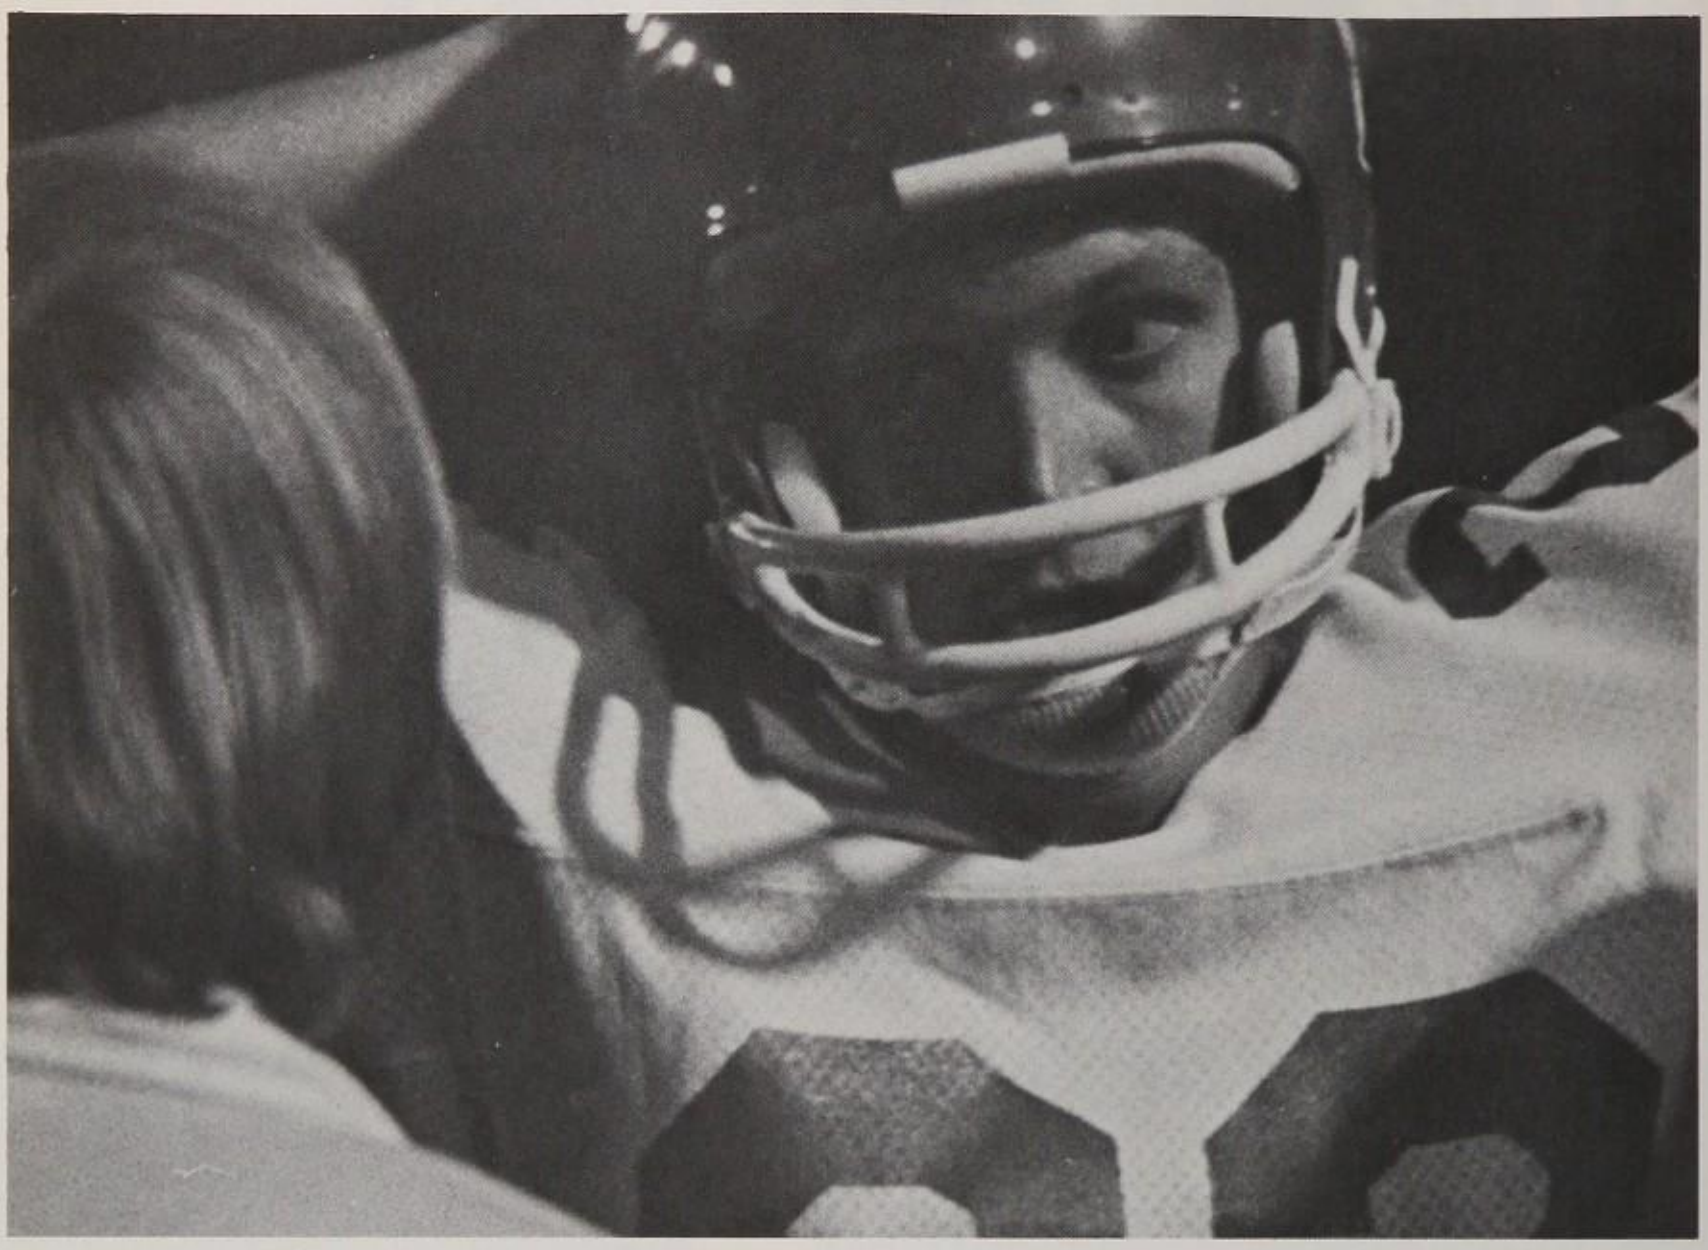
The band had a year of fine half-time performances at the football games. Seen here is the rifle team giving their salute.



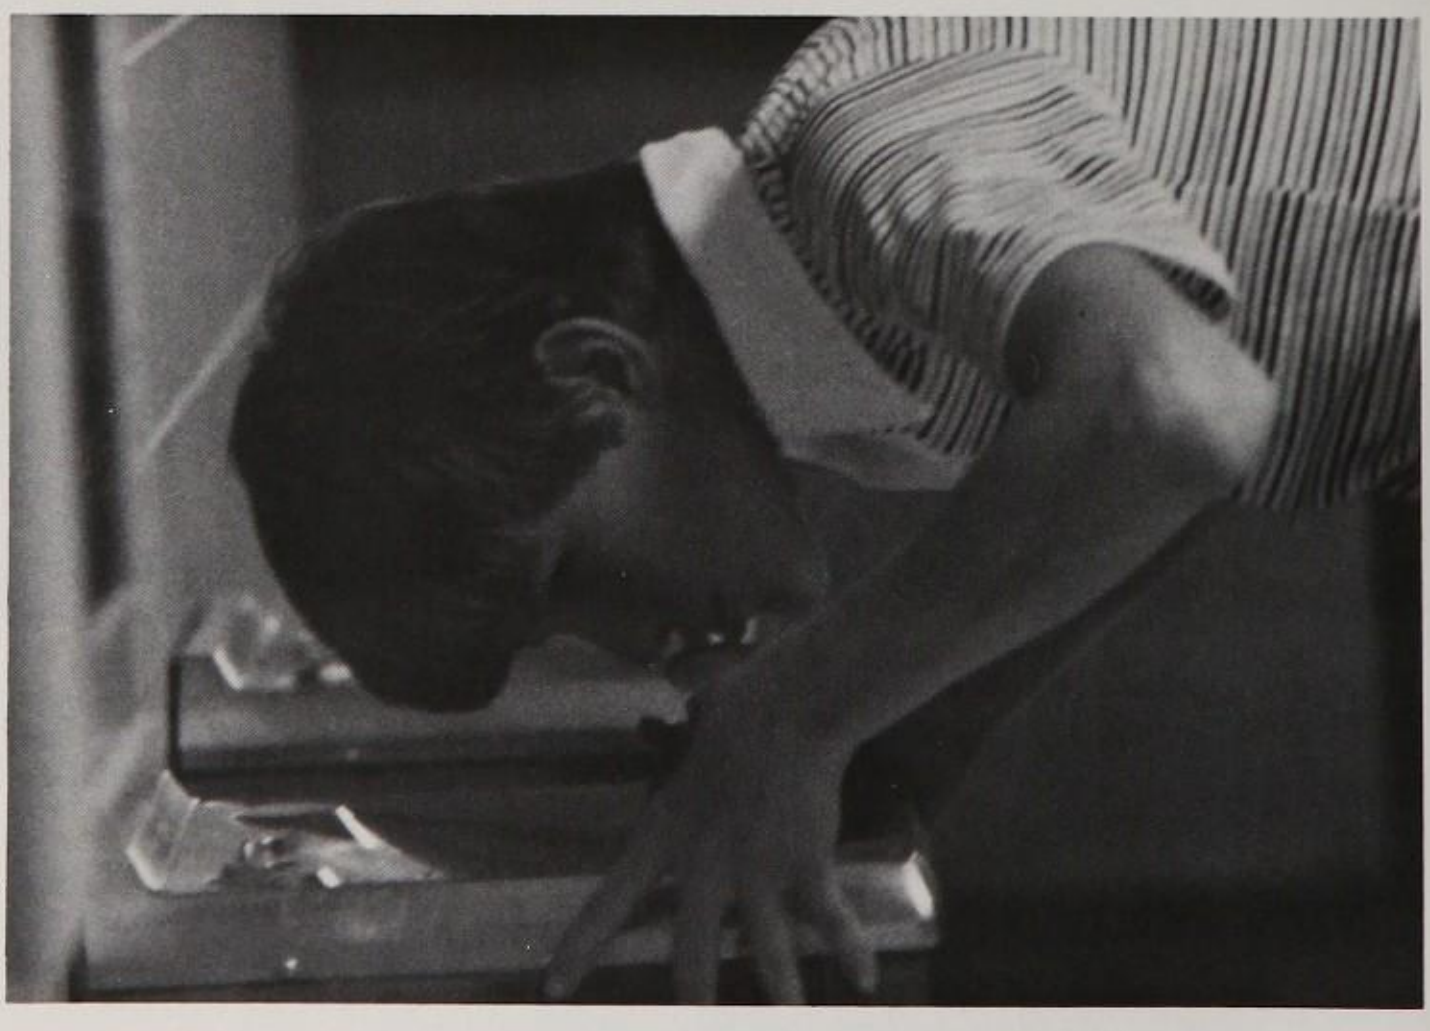
Mustang coaches, Brenda Bellmon and Tammi Scheurman were defended by lawyer Copperside, Karen Privott, with assistant Shelly Reick, in the trial for the murder of the Broncos.

Todd Thurman is sworn in as 100% Millerman by Judge Benny Jimboy, as the bailiff, Leslie Lewis, holds the sacred football.

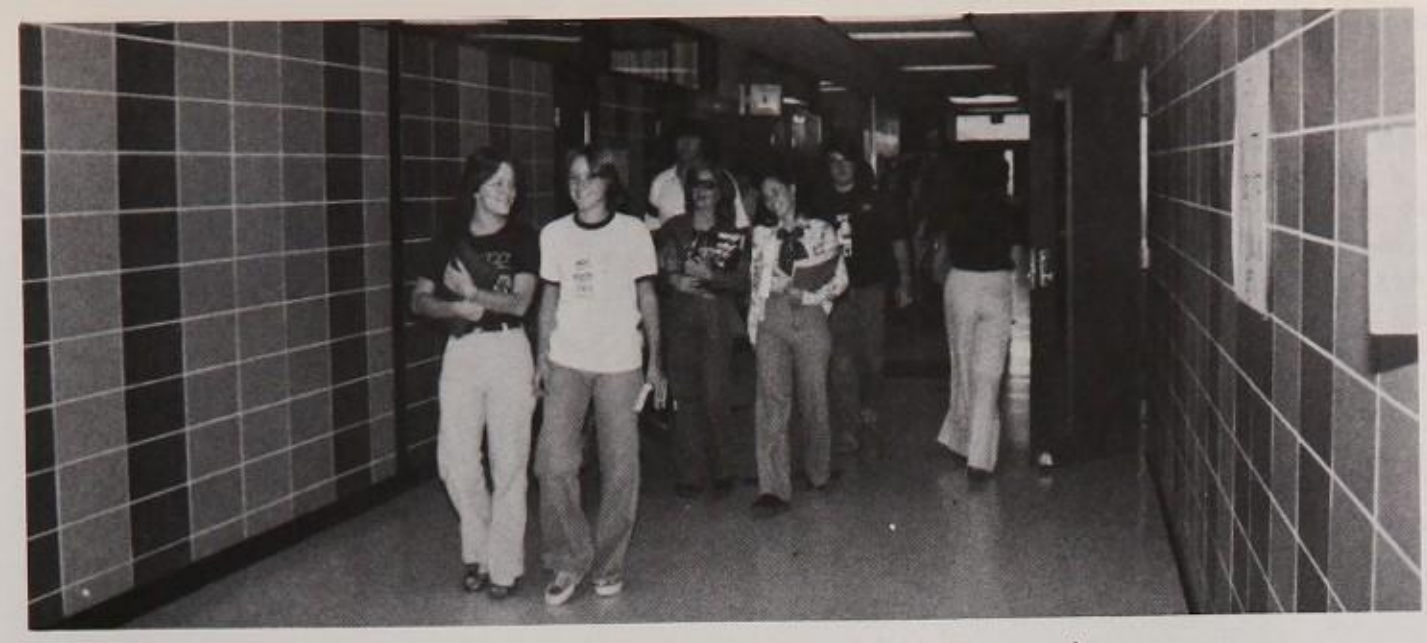
A Kaleidoscope Of Miller Spirit



Mike Campo talks over the next play with Coach Kusik during a ball game.

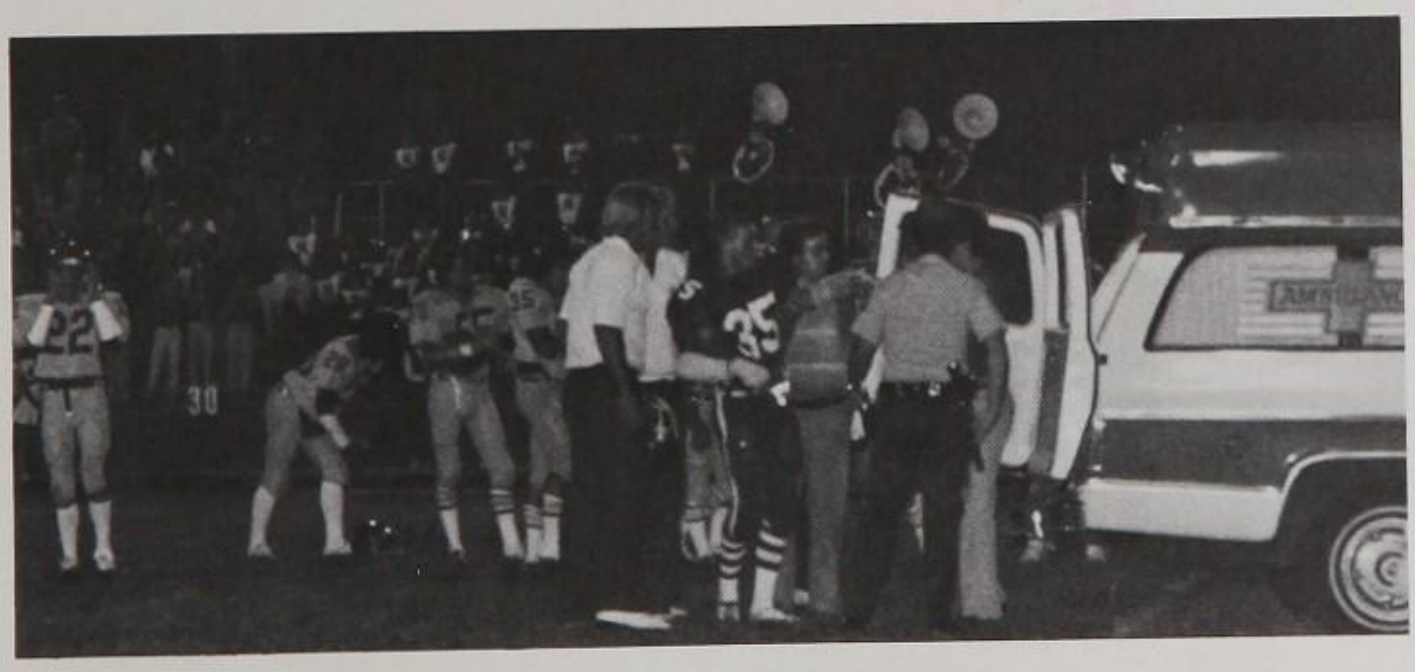


Bruce Suitor gets some spirit water between classes.



Students enjoy gossiping in the halls between classes.

Evelyn Garcia, Joe Kane, Colin Hoover, Jeff Reed, Linda Greenlee and Greg Howard show Miller spirit by seeing who can eat the most hamburgers at McDonald's.



Coach Kusik and Coach Teasley help Todd Johnson into the ambulance at the game between Carl Albert and Yukon.

GREAT CLEAN-UP AT YHS

Car thief at YHS? No, but this year it wouldn't have been an unusual sight to come out and find your car missing. If you were lucky enough to arrive to your empty space in time, you might have caught a glimpse of your car hitching a ride on a big orange tow truck.

Students found out the hard way how much it costs these days to get a car towed. In an effort to clean up the school parking lot, the local tow truck has made many visits to remove the cars that are not parked in the designated areas. In order to assure that your car will be where you left it, you must make sure that it is parked between the two lines. Through this effort many cars have been spared from those little dents and scratches that had previously been suffered before The Great Clean-up.

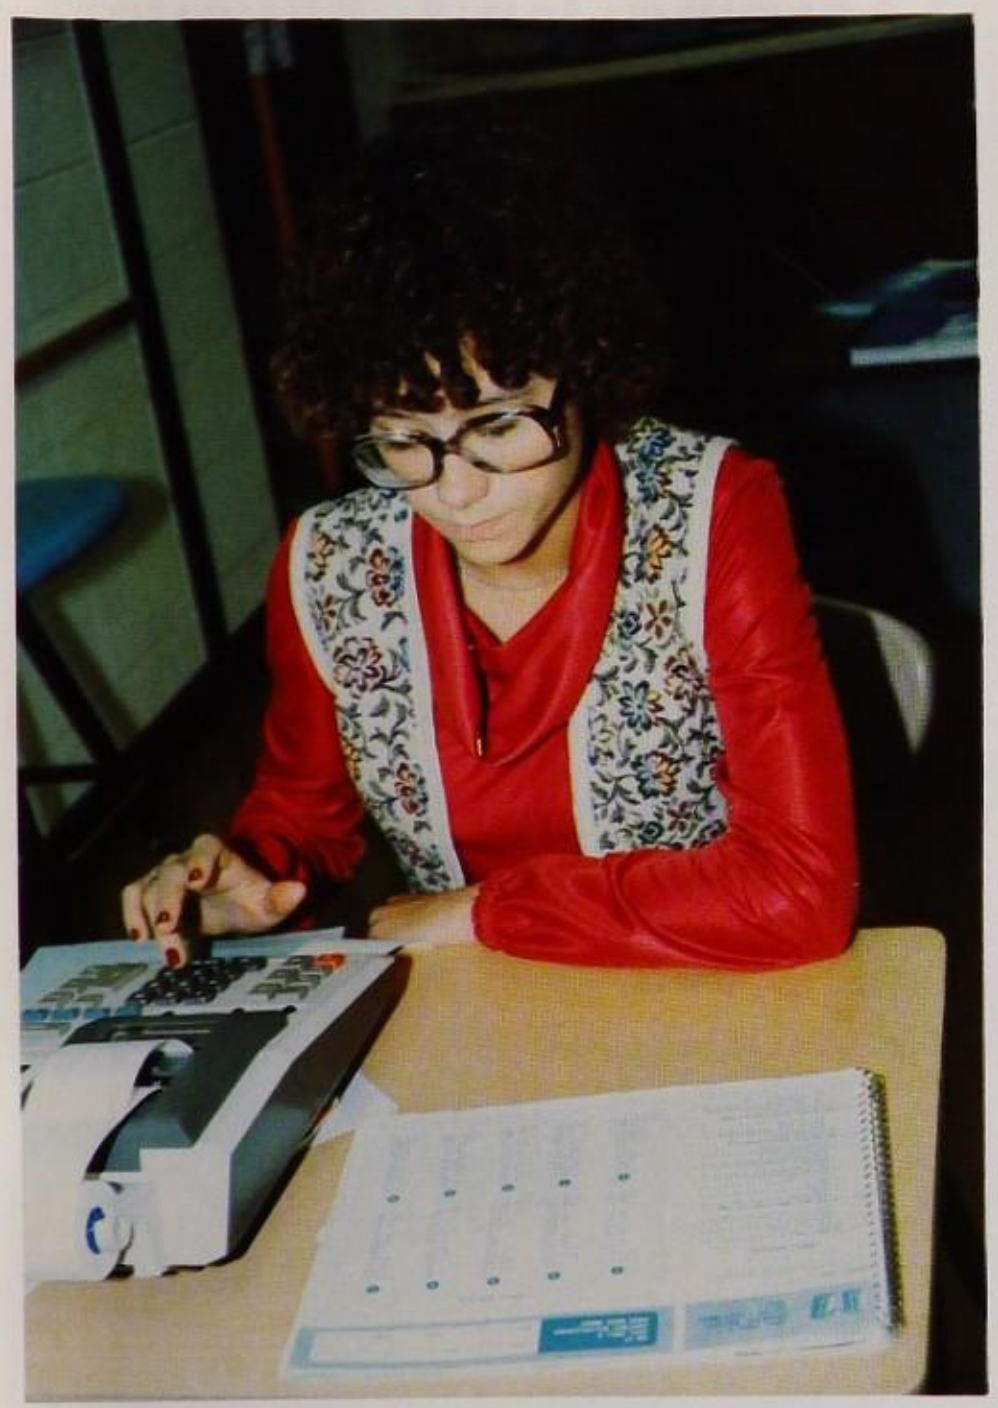
From the mouth of babes ... Bob Howard feeds Christi Lassiter at the football Watermelon feed.

Adding beauty to the scenery at YHS this year was the familiar sight ... and smell of the tar machine. These observers are S. Winchester, D. Anderson, S. Gibson, K. Brown, and R. Jordan.



Val Patterson practices her skills on the adding machine in clerical office practice.

OKLA. STATE FAIR

Laugh through a thrilling ride. Scream through a chilling side show. Lose your money in a game of chance. Take an interesting visit to the arts and crafts buildings. When you're tired sit by a fluttering fountain and indulge yourself in fattening foods such as fried elephant ears and indian tacos. These are only a few ingrediants of the fun that the 72nd annual State Fair of Oklahoma offered.

Whether it was agriculture, hobbies, crafts, or just plain fun, fair time provided an opportunity for people across the state, including students from YHS, to gather and share their common interests. Below we see one of the many sights of the mid-way at night.

"A man's game" .... Garth Brooks and Terry McDaniel test each others strength as Robin Riddle and Shelly Elliot root them on.

THE FRIZZ!

What is it? A bird, a plane, no, it's, it's, ... the frizz! Hair fashions have changed throughout the years, from the 50's with ponytails and headbands, the 60's with bleach-blonde straight hair, and now to the 70's. Many different styles such as the feathered look, and the 'Farrah' have come about in the 70's, but now in 78-79, the frizz is the style!

There are many ways to frizz your hair such as pipe cleaners and perm curlers. Who knows, next year hair fashions may be long and straight, feathered, or maybe even the "LoBough" look!

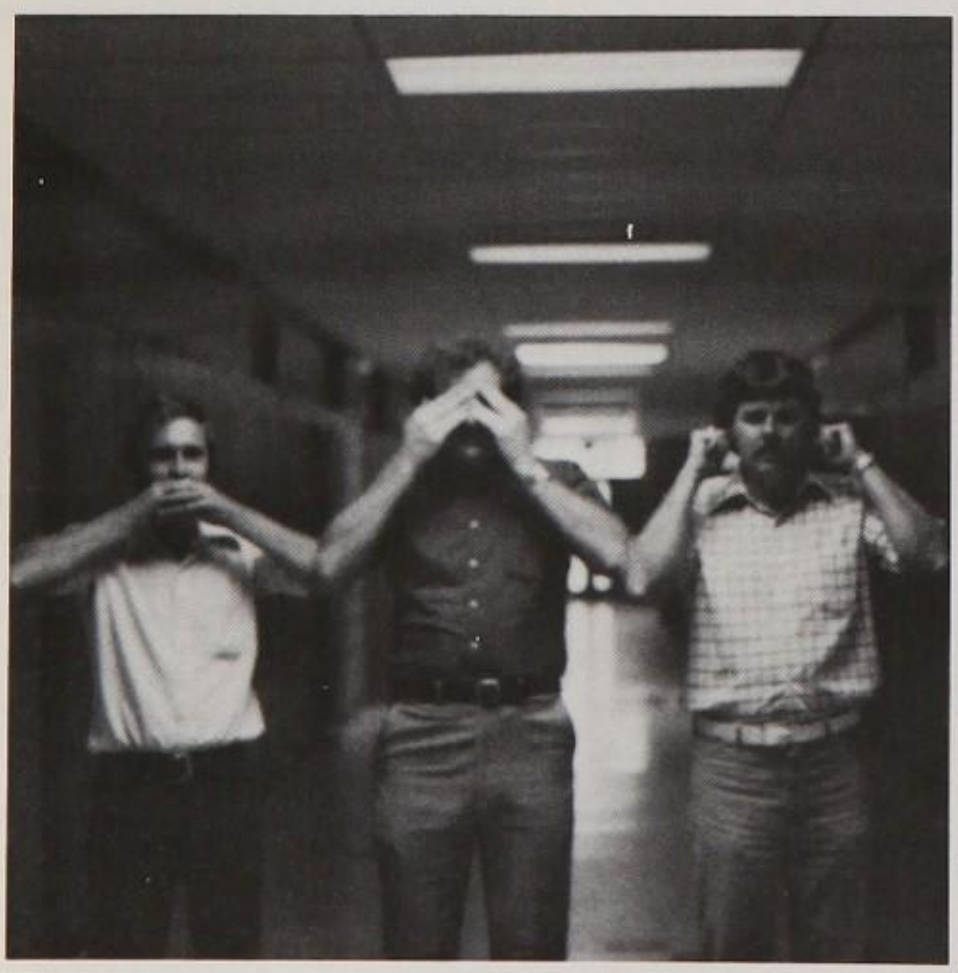
Learning Isn't Always

Cheering their hearts out at a football game is the new 78-79 spirit club.



See no evil, hear no evil and speak no evil is the motto of Mr. Leatherwood, Mr. Winkles, and Mr. Slater.

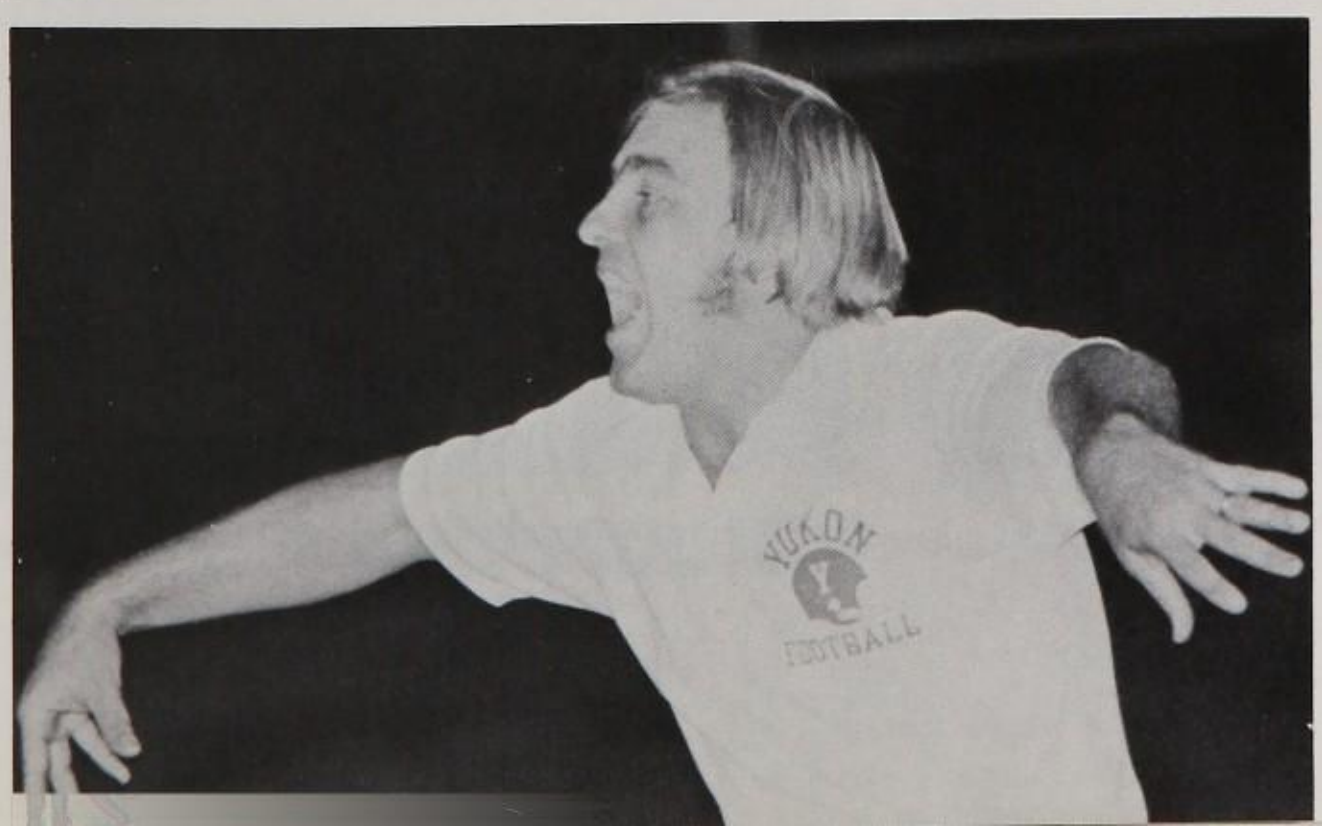
Showing their spirit at a football game are Benny Jimboy and Steve Johnson.

Students do last minute cramming before class.



Ready to fly into action is Coach Kusik as he demonstrates new techniques to the football team.

Who Said Yukon High Is

STUDENTS KEPT BUSY

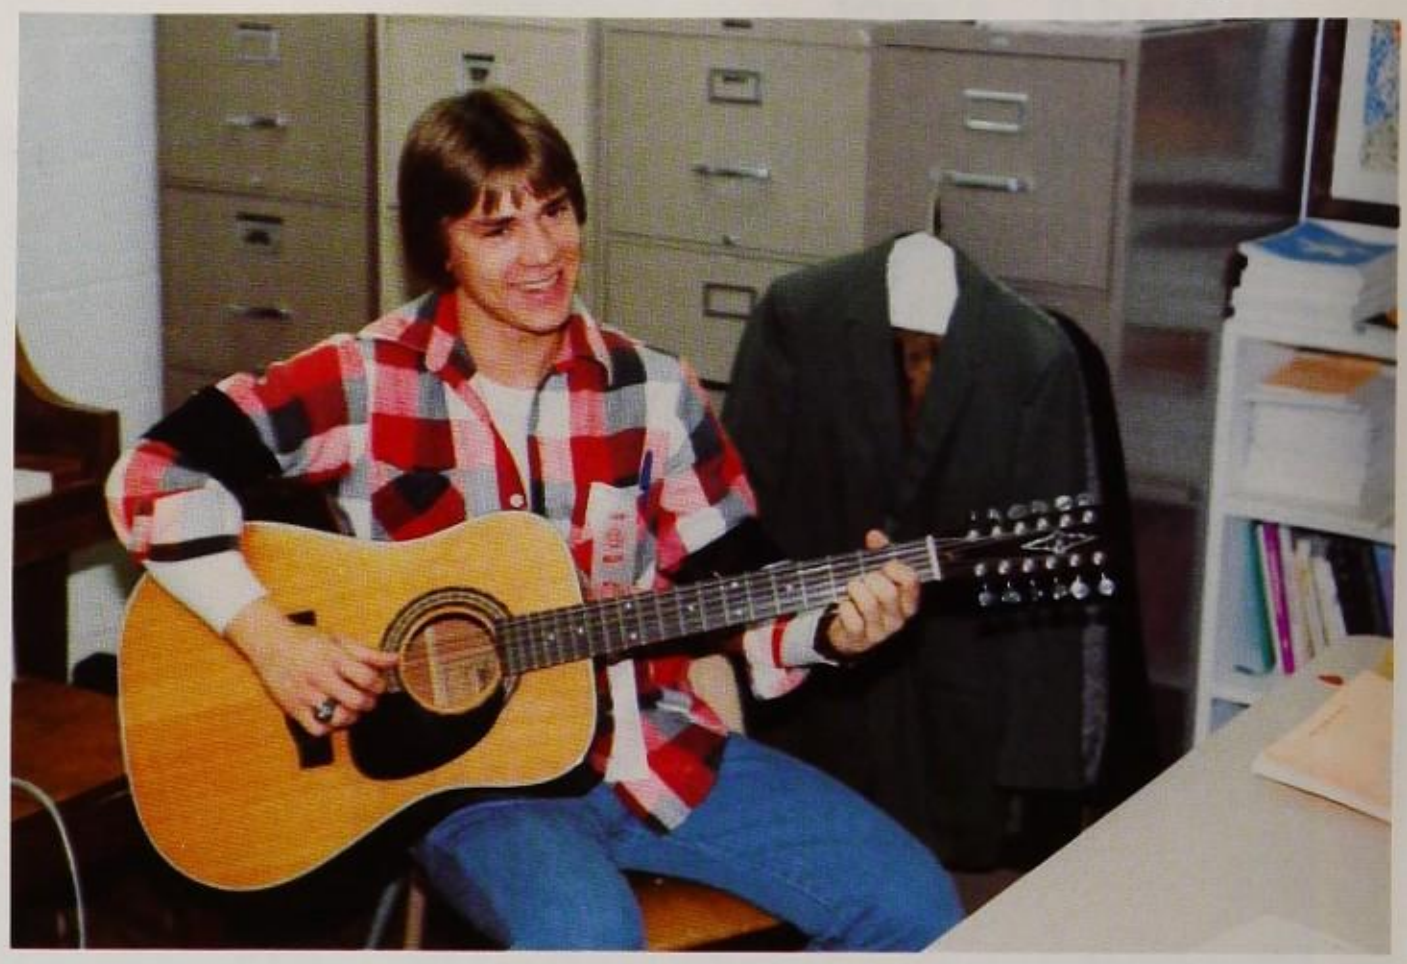
You would think days full of school work, club meetings, pep assemblies, and numorous other activities would leave a student dead tired. Maybe the ordinary student would be, but not a YHS student!

Games, decorating houses, dates, skit practices, talking on the phone, doing homework, and watching tv have only been a few essentials in a teenager of the '70's life. Yukon High School keeps all of the above a part of every students spare time.

The big break comes on Friday and Saturday nights. We often see our peers dragging Main Street, thru McDonalds, to Sonic, and back again, on these nights. Going to the park, lake, concerts, Cactus Jack's, banquets, or on a date provided most of the ideal parties or activities that are clearly a part of the '70's generation.

For the seniors it will be only memories of their party hardy and care free years. For the juniors --- their's more to come.

By Ronda Bowers



Enjoying some of that good ole' music in his spare time is Jim Dick.

"The Mad Flasher" Lori Fuller is caught in the act.

ROCK ON YHS

Imagine this; a smoke filled auditorium, every seat taken. The lights go off, Led Zeppelin appears on the stage. The crowd goes wild. For those of you who have never seen a concert, this is what you're missing.

Zeppelin, along with Boston and the Rolling Stones are the most popular choices of bands most wanted to be seen in OKC by YHS students.

The many students who attend concerts enjoy audience participation, special effects, good partying and good music. The things most disliked by the students are people getting sick, too much smoke and no audience participation.

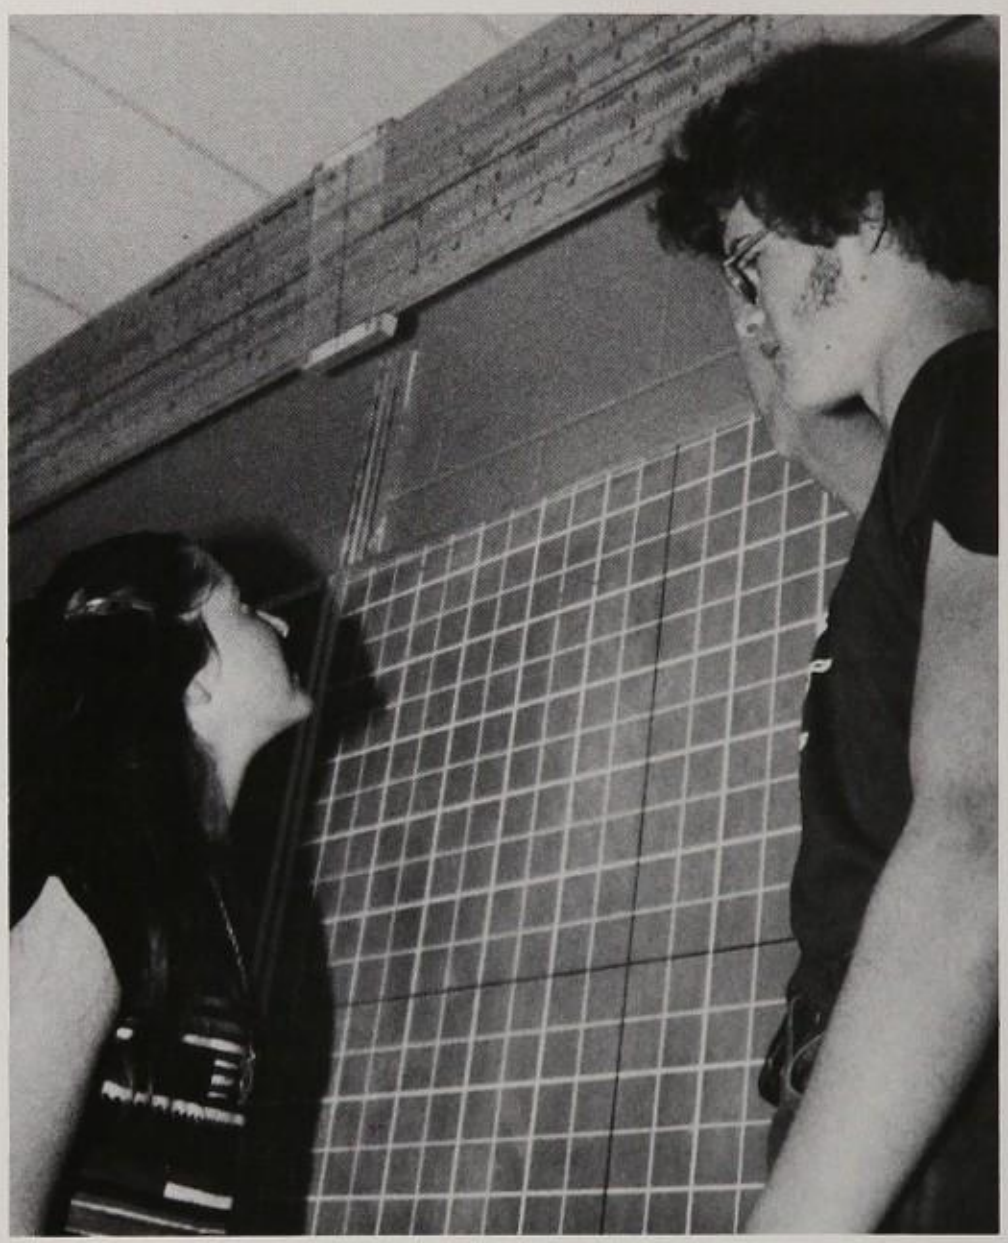
Favorites were Bob Seger, REO Speedwagon, Foghat, and Kansas.

The Okla. Jam held last summer will be remembered (?) by many students. Some even traveled to Kansas City and Dallas to attend those jams. The 70's was the age of Rock and Roll!

By Meg Pifer and Mary Greiner

Learning Isn't Always Hard

Instead of power to the people Millers are the people with the power. Yukon has spirit that will shine on through the eighties to carry out our seventies with a mighty roar. The bold, the bald and the brave, Seniors and Juniors of 78-79, the people with the power.



Robert Memmott explains to Laurie Banks the fundamentals of the slide rule.

DRAMA CLUB

A first of the for the Drama Dept., Kandy Whetstone was chosen to the All-State cast for her role in "Fiddler on the Roof". Speech contests enabled 15 students to qualify for regionals and three for state in '78.

These FFA members seem enthused over their achievements this year.

ART CLUB

The Art Club elected their first queen and king this year. Seniors, Larry Beckett and Charlott Scott, received this new honor which began a new tradition.

VOCAL

None other than the best came to perform with YHS vocal students this year-the Okla. Symphony Orchestra! "Messiah" was the program of songs. Mrs. Wieser and her students sold candy, t-shirts, and jackets to scrape up enough money for this outstanding performance.

The play included this backstage work by S. Gibson, V. Fail, and G. Cullers.

SPIRIT CLUB

Out with the old and in with the new. It's a new concept in school spirit. All you needed was the 100% Miller t-shirt, a pair of jeans, and a loud mouth.

The traditional Pep Club was replaced with this new co-ed concept. The official name is "100% Miller Spirit Club". This past year has shown the pro's and con's of such a group for the club was on a trial basis.

The club was formed by all students who wished to support our athletes in every major and minor sport.

NHS

The National Honor Society held the highest office of State NHS president in 78-79. This enabled the local officers to be state-wide officials and host the state convention held last March.

Drama Club Sets New School Records

The Drama Club grew in size and participation this year. Over 250 students from the high and Mid-high schools paid $2.00 dues to join for the 1978-79 year.

It seems, that thru the 70's, the dedication has grown dramatically. This was proved when Joel Meyers, Darren Bond, and Mike Greeson qualified for State and Kandy Whetstone was choosen to the All-State Cast last year. The Advanced Speech class became so big it was split in to this year, this posed big problems, like competition between the two and not being able to attend the One Act Contest.

Officers sold Drama Club t-shirts that were classy black and gold. Entertainment included a Halloween party, New Years party, and their annual Acadamy Awards banquet to be held in May. A great learning experience was going to see OCC's "Prisoner of Second Avenue" in which alumni David Shuler starred.

Plays Bring In The Crowds . . . And Success!

Darren Bond and Linda Segress keep busy by covering the flats with paint.

THE SOUND OF MUSIC

YHS Drama and Vocal students achieved the highest standards of entertainment when the gym was packed for all three performances of "The Sound of Music". Many hours of long practice were put in by a cast of 50 high school and Mid-high actors. At the senior matinee the cast received a standing ovation. Mr. Greteman submitted regretfully that this would be the last musical play performed in the YHS gym.

A pie in the face was the consequences that Darren Bond received because third hour speech sold the least amount of tickets to the play. Vicki Fail, who chaired first hour speech, got to let Bond have it.

Also, because he brought in the least in ticket sales, Mike Greeson, got smacked with a pie from Kandy Whetstone (top salesperson). Ronda Bowers (rated second top salesperson) got to lay a pie on Roy Symes whose sales totalled zero.

Tied with Roy was Joel Meyers who got a pie in the eye from Darren Bond.

David Anderson sees "it's almost performance time" as Suzie Foltz's watch says.

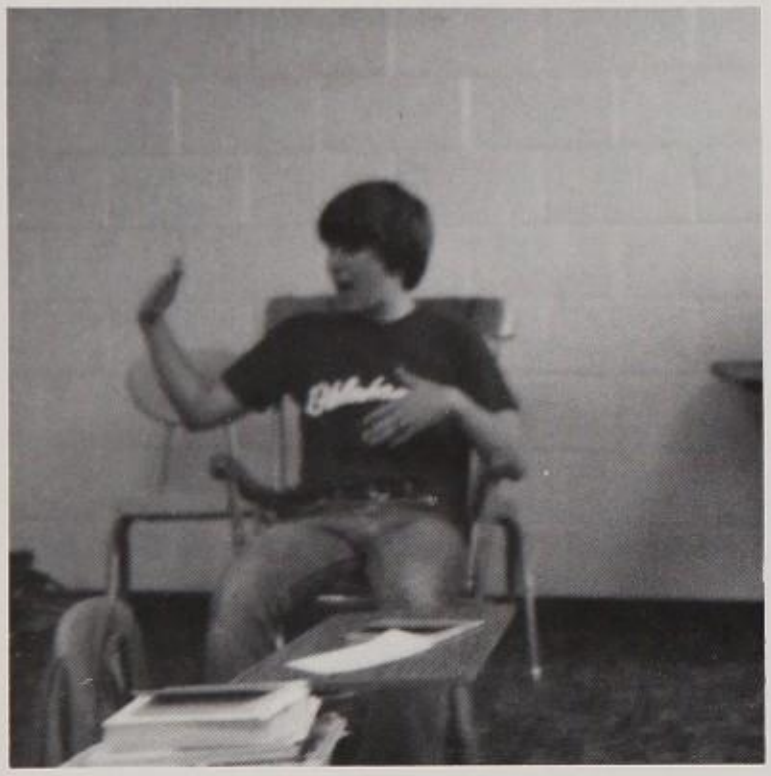
Working on the set, Sami Pierce and Kelly Alexander got to prove their equality to Joel Meyers and Mark Leatherwood.

Being director isn't always easy, as we see here, Mr. Greteman lends a carpenter's touch to this flat.

Classroom Activities

Speech Contests

Picking students to represent Yukon was only the first hard step for Mr. Greteman when contests came around.



David Anderson rests his case ..... of getting to debate at contest.

Speech class meant long hours of study for Mike Greeson.

Linda Segress won first place in the VFW county essay and 2nd in district. Val Patterson won 2nd in the county.

Vicki Fail knows her team's rank and you can't debate that!

The YHS vocal department, directed by Judy Weiser, had an exciting year for 1978-79. This is a year that will be remembered by all 100 voices who participated in it.

A stunning fall production of "The Sound of Music" in conjunction with the drama department set the pace for the many outstanding performances to follow for this energetic group of vocalists. The winter holiday seasons brought the YHS Thanksgiving choral festival and the Christmas production of the "Messiah" with the OKC orchestra. Springtime included vocal contests and the anticipation of the annual "spring fling" vocal production.

Valuable experience is the reward for all members who took part in bringing these musical privileges to Yukon.

Brett Bass, Kenny Wagner, DeAnn Merrit, Debra Shepard and Belinda Broady passed district tryout and DeAnn Merrit passed the All — State finals.

Tish Brookshire was crowned as the Band Queen at the Christmas concert. Her court included Lori Fuller and Debbie Hopper.

The band completed their second year using corps style marching and is considered by many directors in central Oklahoma to be among the best Corps style bands.

Flag Team, Rifle Corps And Twirlers Add Life To Half-Time

Performing during half-time, at pep assemblies and at band contests is what the Flag Team, Rifle Corps and Twirlers are known for.

The girls are members of band and have spent many hours learning and perfecting their routines.

There are three Twirlers, five Rifle Corps members and 18 Flag Team members. They got these positions by lots of hard work and by trying out for them.

Their sponsors are Mr. Larry Taylor and Mr. Tom Parham.

Adding a lot of spirit throughout the year was the drill team.

The YHS Drill Team was on the go throughout the year. After much long hard work, the dedicated members began their halftime performances at the first football game, and continued throughout the year. The team consists of sixteen members. The members attended Drill Team Camp at Southern Methodist University in the summer where they learned various routines. The drill team performances were exciting and very enjoyable.

Drill Team officers are: Lisa Weibel, Captain; Terri Popp Lt. Captain; Tina Brakefield, historian; and Mechelle Dugan, Treasurer and the sponsor is Ms. Nancy Rogers.

Aides play an important part in the everyday life of Yukon High School. They do everything from collecting absentees to re-shelving books.

Mr. Guy and Mr. Lobaugh are in charge of 20 office aides who collect absentees, carry messages and record absences. Attendence and grades help decide who is an office aide.

There are six counselors aides under the direction of Mr. Slater, Mrs. Shadid and Mrs. Novak. These aides answer telephones, run errands and do minor filing jobs. Grades and personality are the main things looked for in a Counselor aide.

Last but certainly not least are the Library Aides. Mrs. Finn has 20 aides that help her keep the library running smoothly. Her aides help students find things, do the re-shelving and make deliveries. Mrs. Finn selects those that impress her as hard working, pleasant students.

(Top Row) Library Aides Rich Edmonds, James Cole, Todd Worsop, James Oney, Becky Day. (Row 2) David Lowther, Mike Matheny, Susan Towler, Paul Edwards, Paula Baugher. (Row 3) Jeanie Parizek, Brenda Terrell, Dawn Hoffman, Mrs. Finn, Sheila Scantlin, Valda Suddath.

Industrial Arts Club

Forty three members strong and growing is the Industrial Arts Club. This club originated 4 years ago to motivate students to recognize and demonstrate good craftsmanship in woodworking and drafting. In 1975, James Henderson took 1st place at the SWIM meet, then in 1976 David Pitts was a state runner-up and in 1977 Chris States was the State Champion. This year the club attended the SWIM meet and the Invitational and State Project Contests.

Their sponsor, Mr. Zerby, keeps the club running smoothly with the help of the club officers, Larry Burgess, Pres.; Kenny Spargur, V. Pres.; Aaron McRee, Sec.; Kippy Rackley, Treas.; Brian Banks, Reporter and Rick Barnett, Sgt. at Arms. To be a member of this club a student has to be enrolled in woodworking or drafting and be interested in project competition.

Ron Lester won honorable mention in a Voice Magazine Contest and Robin Jackson won a county sponsored writing contest.

This club has expanded to a membership of 40 because of the growing interest in writing. A student has to be enrolled in a Creative Writing class to be in this club.

Art Club Furthers Art Education

Attending the fall and spring fine arts shows in Shepherd Mall, visiting art museums, and sponsoring the Yukon School Art Show are a few of the ways that art club members further their art education.

To get in the club, students must be, or have been enrolled in art with a passing grade in high school.

There are about 30 members in the art club, and the sponsors say that the members are more involved than they have been in the past.

Sponsors of the club are Mrs. Edwards and Mr. Leatherwood. Serving as art club officers are Kenny Spargur, president; Charlotte Scott, vice-president; Lance Blankenship, secretary; Lea Beilman, treasurer; and Cindy Coffman, reporter.

The largest club in the high school, the FHA, is also one of the most active. Projects throughout the year prove the drive of this club to help worthy organizations meet their goals. But raising money isn't always going door to door collecting money, as shown through the powder-puff football game and the March of Dimes conference at the Lincoln Plaza Motel. This energetic group of students has made this a great year for FHA by simply caring for others.

The yearbook staff has been busy all year to bring to YHS students the 1778-79 Miller, They started the school year with a new teacher, Mrs.Kim Poslick. The staff worked busily the first hour of every day to put out the yearbook.

In the Fall and Spring the yearbook staff attended OIPA workshops. There they learned how to better the yearbook. The staff also attended several classes where they learned about photography, copy, and themes.

The staff met early before school started to choose the cover and theme most appropriate for this year. Leaving out the sophomores left the yearbook much smaller but we hope the content is even better to make up for the loss.

In Action

Co-editors Susan Jones and Rhonda Bowers work out arrangement of the yearbook.

Working on football pictures and copy are Angie Brodine and Gwen Chilcote.

Caught in the act is Karen Privott, typing senior manuscripts.

It's a challenge
It's hard work
Putting yourself to a test,
Knowing you're doing
your best
And still trying harder
It's spirit clubs, rallys and

Learning sportsmanship
and leadership
It's competing always to
win but sometimes having
to face defeat,
It's a time to watch and
learn from our coaches
Because the last year of

A Scoreboard Doesn't Reflect

Obstacles may have hindered the Millers playing season but didn't slow them down. The will to win was too great. They moved up to class 4A and were introduced to six new coaches.

Although they had so much going against them all season, they always had the 100% Miller club to back them up at every game. The team fought hard all season. Only the best of teams can be faced with so many obstacles and still come up fighting.

Bob Howard, Ronnie Mathews, Fred Atkinson and the rest of the team break through with great enthusiasm.

Alan Forest, Shawn Willison, Tony Clark and Mark Dechant were a few of the injuries on the team.

A young sport that is becoming quite popular at YHS is Cross Country. Both boys and girls teams had successful seasons this year. Several runners of both teams placed in regionals and the girls team sent three runners to the state meet. Superstar Jane Clough regained her title as girls 3A State Cross Country Champion.

Throughout the season all of the runners showed great enthusiasm and tremendous effort. The coaches responsible for the outstanding seasons are Coach Donna Geiger, girls; Coach J.W. Loudermilk, boys.

Winning softball teams are becoming a tradition at YHS. For the second season in a row, the softball team has won runner-ups in district tournement. Pam Podolec, a senior, led her teammates to the most successful season they've ever had. The team placed in several tournments and boasted a great record.

Coach Donna Geiger and student-coach Darla Vogt inspired the team's winning efforts through their many hours of patience and guidance.

"Lookin' For A Home Run!"

Golf Team And Volleyball Team

Yukon's girls' volleyball team boasted approxamitely 15 players during the season,. Pam Podolec, Simon Greer, Lisa Wilson, Tracy Taylor, and Lisa Burke were all returning players who were the greatest team supporters for the year.

Coaches Vogt and Rogers looked on the spring season with a good over view since both were new to coaching this sport for YHS.

A few of the toughest opponents for the volley girls were; PCW, Norman, and PC.

They practiced dailey on their spikes, jumping, volleys, and serves to gain the perfection of a winning volleyball team,.

Spring sports bring the golfers out to the coarse. The team mainly practiced at the Surrey Hills golf coarse to prepare for their tough matches.

All the guys on the team were returning players with much experience behind them.

The team under went a change with a new sponser, Coach Crissman. The team's practice was temporarily hampered by the over three months of cold and snowy weather. But these pros were not held back by weather and went on to win many games for YHS.

Getting some tips are P. Edmonds, P. Podolec, and L. Wilson, instructing is Coach Darla Vogt.

The girls practeice their winning form as they jump for the volley.

Miller Roundballers Reach High Goals

"Swish!", another point for the Millers. The sound of victory was one well-known for the Yukon Miller Basketball Team. After many hours of hard practice, the Millers got started on an incredible season with the help of Coach Estus and Coach Kelsey. Todd Thurman was the only returning starter this year, but had a lot of help from Craig Blake and Mark Davenport. They overcame many obstacles such as having to forfeit their first six games, but the Millers came back and are still going strong.

The Yukon Miller Basketball Team includes, Top Row Coach Marty Kelsey, Mike Campo, Mark Davenport, Craig Blake, Todd Thurman, Bob Campo, Mike Rischard, and Coach Estus. Second Row, Rich Edmonds, Randy Ross, Steve Ferguson, Brett Cory, Larry Godfrey, Don Berner, and Kirk Gage.

Like a proud parent watching his child mature into a prosperous adult, Coach Wootten has guided the Millerettes into a prestiguis and winning team.

In just 5 years of competition the girls have established a tremendous reputation and have become one of the top powerhouses in the 4A class.

Being rated number one in their class was just the first mark the Millerettes made. They recieved the honors of inivitations to the Del City Tournament of Champions and the Lindsay Annual All Girl Tourney. Two of the toughest and most respected tournaments in the state.

The girls, strong in both speed and depth, dominated their field and brought both pride and recognition home to Yukon High. In their fourth year of basketball (1978) the girls went all the way to the State-Finals before falling to the Moore Lions. But this year the Millerettes played only with one thing in mind. Physical Education

Physical Education, the quest for fitness, is a growing concern in america. Yukon's objective is to offer a variety of sports and fitness programs to both male and females.

Just last year the P.E. classes were combined to become co-ed.

This year students had the choice of taking a general P.E. class or specializing in a racket sports, fencing or archery class.

Mr. Bill Kusik and Ms. Donna Gieger were the co-instructors for these classes.

2nd and 3rd hours were filled by those interested on fencing, racket sports or archery. The other P.E. hours included weight lifting, volleyball, exercise and variety of game sports.

Seventh hours was divided into the seasonal sports of softball, track, baseball, cross country, football, basketball and wrestling.

At YHS over 300 students developed their skills and atheletic ability through one of the offered organized sports or physical education classes. Yukon is in top shape!

"We had a fine baseball team last year," according to Coach Larry LoBough.

They won the Mustang tourney, were runners up in both the Del City tourney and the Yukon tourney, were the Okie Conference Champions and finished off the season with a 29-19 record. All States' Special Mention went to Terry George, and Terry plus three other members, Jerry Wagner, Jerry Kennedy and Kerry Lassiter were Mustang's All Tournament players.

This year will be even better! Under the head coaching of Charles Teasley, the goal for '79 was to take State. He felt we were "an exciting team with a lot of speed and did score a lot of runs each game.

The rest of the coaching staff was made up of JV coach, Brent Clements, and Soph. coach, Randall Lokey.

Girls & Boys Track Teams Off & Running.

The Girls track team of 1979 was the last of the '70's and the best! This year was a tough year beacause the teams were challenged to better last year's many accomplishments.

The 1978 team brought home a total of 108 individual medals from their 13 meets and in the Mustang meet, El Reno and Enid meets the Lady Millers received first place team trophies.

The team came in second in the South Central Conference, but finished first in their 4A regional meet. In 1978 the Yukon Millers had six girls represent them in the State Meet, which produced one state champion from Yukon; Jane Clough in the 880 yard run.

The team was strong again this year, as they lost only one senior in 1978. However, there were a few changes. The team no longer participated in the South Central Conference, but moved up to the Okie Conference with bigger schools. But stronger competition didn't hamper the Yukon Team. They were as great as ever!

Right: Todd Thurman, Craig Blake, and Mark Davenport were named the all-tournement players for the Altus tournement.

Many Girls Sign-up to Aid Male Athletes.

The football managers really took pride in the team. They attended practices this summer and worked very hard in the hot sun. They were always there at the game helping out the coaches and team.

Basketball managers had a lot of responsibility. Every game the "Courtside Cuties" had to take care of the basketballs, give water to the players and keep the books in order. Their jobs required lots of time and effort.

14 Matmaids did the odd jobs that each match required. Evelyn Garcia, Captain, aided coach Cole with the Stats as did the other maids. These girls set up mats, cheered, and helped the matmen in every aspect.

Managing the baseball team were the batgirls. These girls came to the aid of the baseball team in each inning to help the guys through a winning season.

The year has come and gone for the class of '79. It seemed to pass with out our noticing its speed. It is our turn to say goodbye to this place, our school, our town, that we've come to know as "home". We say farewell to friends we've come to love; to teachers we've come to know; and to activities we've come to enjoy.

A goodbye is not forever though; there will be reunions and great times for us to keep in touch with each other because we miss this high school life so much. Our memories are the most valuable possession we have, to keep always. As you turn these next few pages, and look at the faces, please, don't forget me .... I'm the senior of 1979.

"Don't be dismayed at goodbyes. A farewell is necessary before you can meet again. And meeting again after moments or lifetimes is certain for those who are friends."

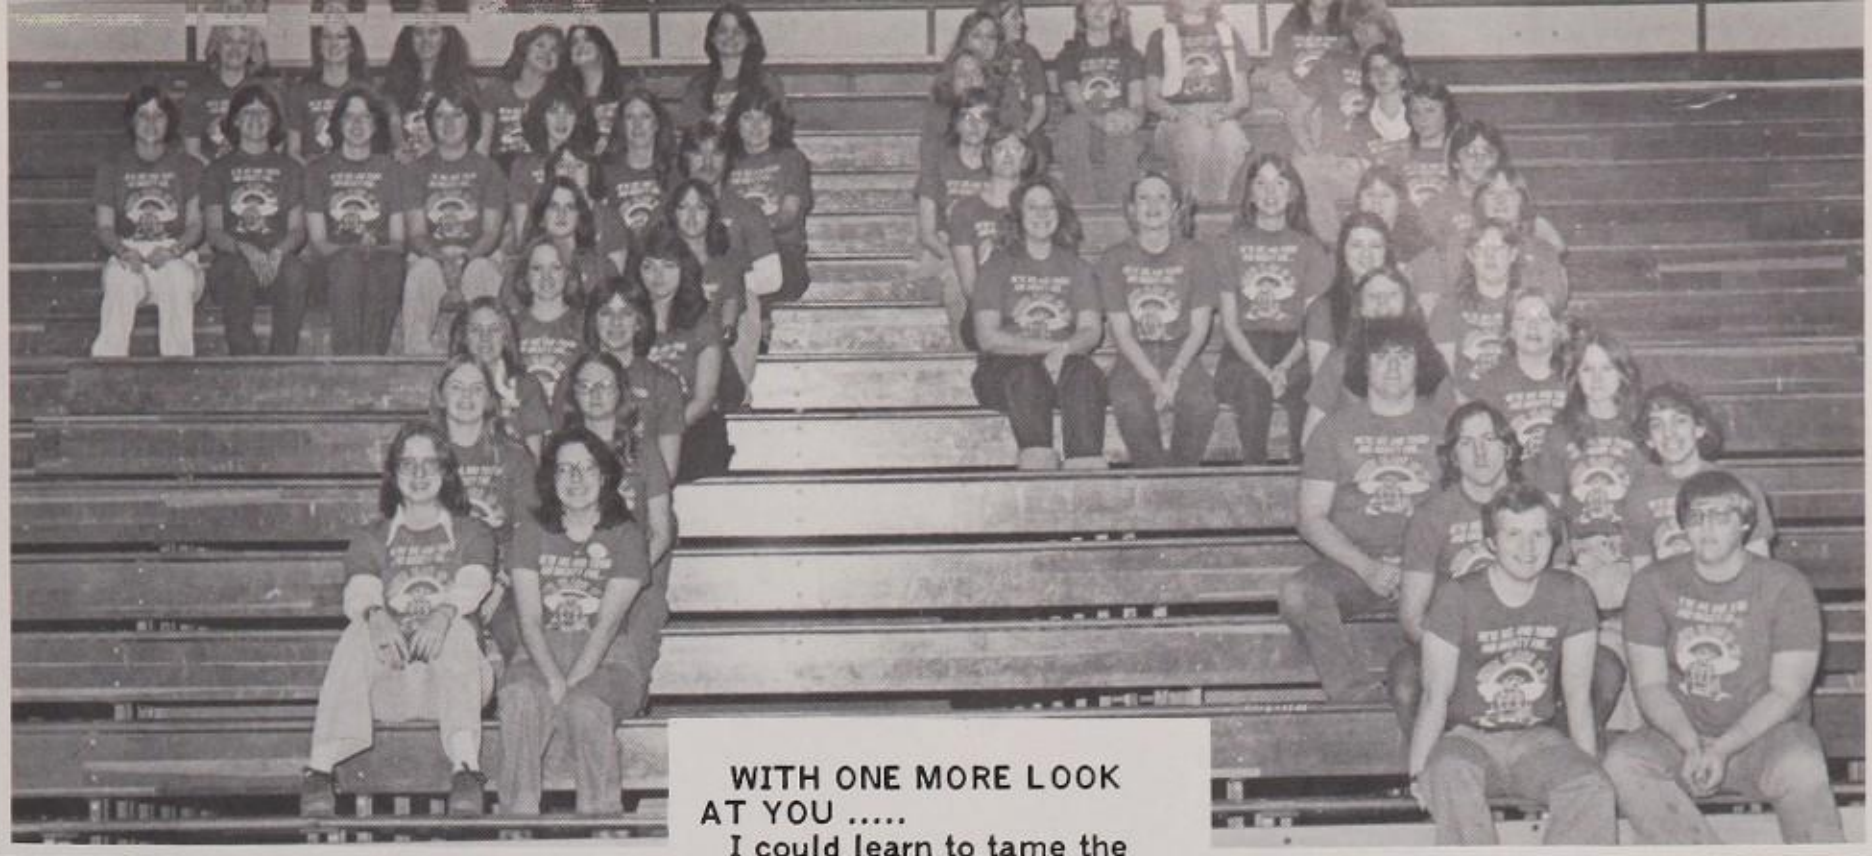
Seniors '79 Are #1

Together The Seniors Conquered All!

The muscles of Jay Loveall came in handy at football homecoming.

These senior guys seem to be concentrating on their classwork before school.



WITH ONE MORE LOOK AT YOU .....

I could learn to tame the flowers and let the sun shine through,

Leave a troubled past and I might start anew,

I'll solve the mysteries if you're the prize, and refresh these tired eyes,

WITH ONE MORE LOOK AT YOU ....

I might overcome the anger that I've come to know, find a piece of mind I lost so long ago,

Your gentle touch has made me strong again, and I'll belong again,

For when you look at me, I'm everything and more than I had dream'd I'd be,

My spirit feels a promise, I won't be alone,

We'll love and live more, love and live ..... forever,

WITH ONE MORE LOOK AT YOU .....

I'd learn to change the stars and change our fortunes too,

I'd have the constilations paint your portrait too, so all the world may share this one good year with you,

The world could end each night .....

WITH ONE MORE LOOK AT YOU .....

The juniors of '79 have always strived to make their class unique. Together, 375 of them, the largest class at YHS, formed the last of the Freshman classes to graduate from Yukon Junior High. They were the 100% + Millers who showed their abundant spirit at pep rallies and the determined senior class of tomorrow. Their spirit, determination, and pride promises to make them the super seniors of 1980. Yes, juniors, you've come a long way!

JUNIORS

One of the major events of being a junior is getting your first car. Shown here is Lowell Sackett with his first — a Trans-Am.

Mr. Briley Leaves YHS

Through the seventies there have been many changes at YHS, and Mr. Briley has been here to witness almost all of them.

Mr. Briley's life has been full of adventure. In the 1930''s, while going to school, he played the villian in the WKY soap opera, ''Modern Girl Romance'' and in the KOMA soap ''Wolf Howls''. After graduation, he worked on stage in the Greenwich Village Theater, ''Out of the Frying Pan'', then enlisted and fought with the Tenth Mountain Division in Italy. After the war, Mr. Briley was on stage and directed films in Pasadena, California.

Mr. Briley's teaching career came about in a different way. A friend of his who taught speech at Oklahoma University tricked him into taking his class for a year. As a result, Mr. Briley chose teaching as his life occupation. He began by teaching speech and drama at OU in 1949, where Dennis Weaver of McCloud was his best student.

From there he taught at Wellington, Texas, where his students chipped in th buy him the 1949 class ring he proudly bears today. He didn't have one before because he was too poor to buy his own during the Depression.

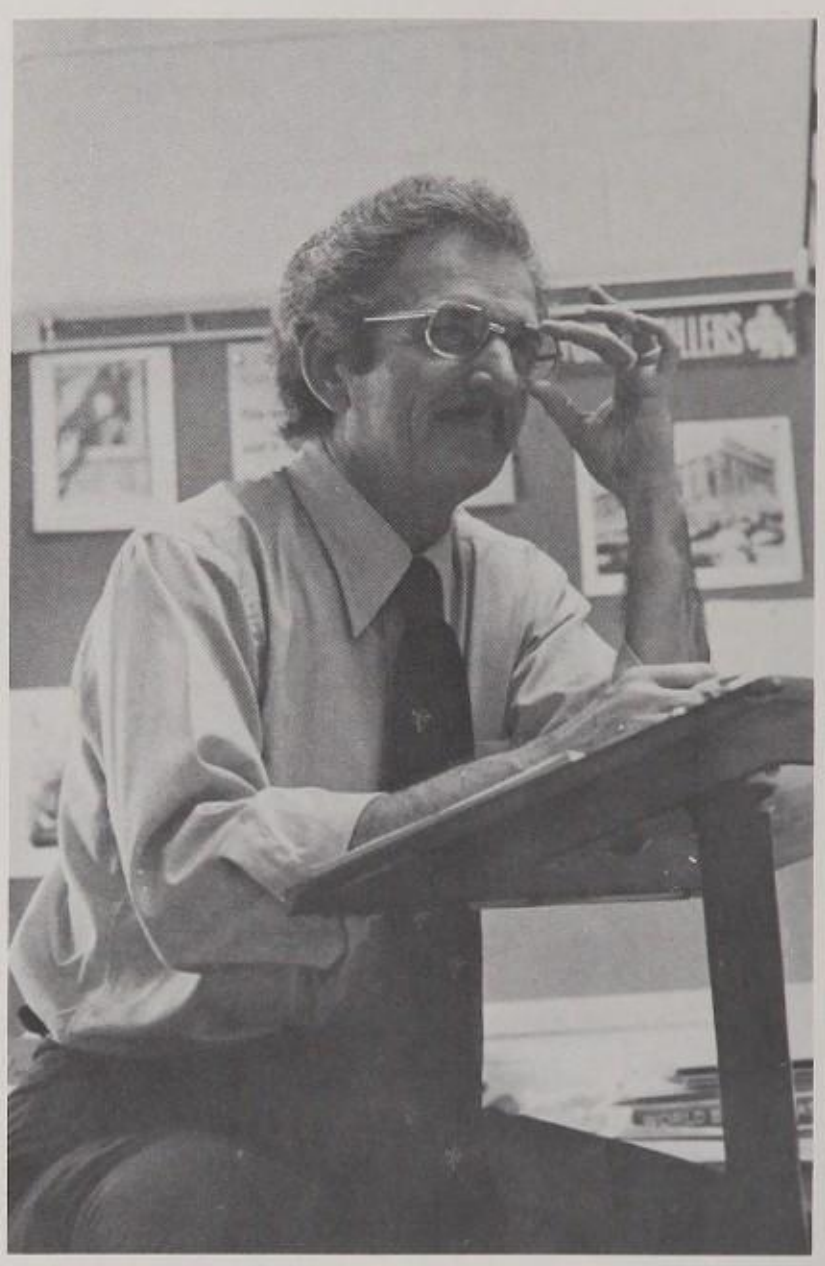
He then taught at Broken Bow and the Oklahoma State Reformatory before coming to Yukon.

Mr. Briley began teaching at YHS in 1959, seven years before the opening of the new high school. Mostly, Mr. Briley taught English, but at times he taught speech and drama. He was the FTA sponsor for more than 18 years and was junior or senior class sponsor alternately every year.

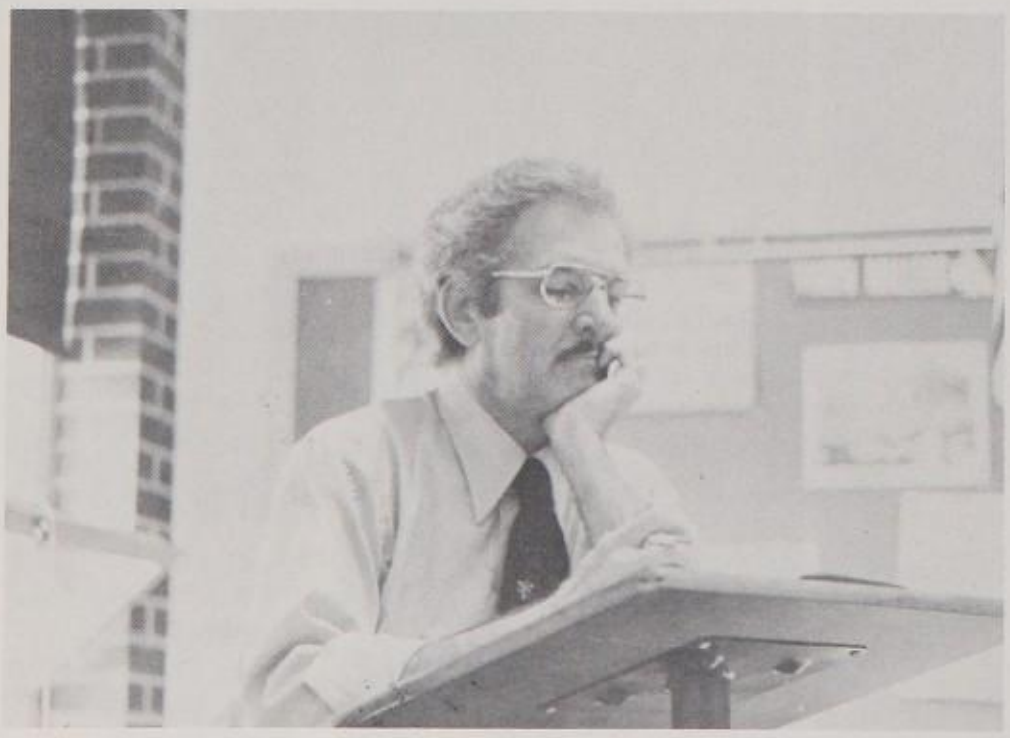
Besides being involved in school activities, Mr. Briley also takes an interest in community organizations. He is a member of the Kawanis Club, Methodist Men and Communion Stewards.

Mr. Briley's main goal has been to prepare seniors to pass freshman composition in college, but after his retirement this year he hopes to oil paint, travel and learn to play the electric organ.

As we bid farewell to this powerful decade, we also say good-bye to a terrific man and a wonderful teacher. Thank you Mr. Briley and good luck in the future.



What was once a routine day will soon be just a memory for retiring teacher, Mr. Briley.



One final look, as Mr. Briley closes the door on his teaching job, his past experiences and many friends made over the years. None will be forgotten. His employment as a teacher at YHS comes to an end, but we will still be learning from this wise man forever.

THE LAST OF THE 70's

The "Last of the '70's has come to an end. The most important decade of our lives. We were the children of '70, the teenagers of '75, and now, the adults of '79.

Summing up these phases of our lives, let's take a look at some history that effected us thru the past ten years ....

Digital watches and calculators came into being, and are common items of today.

The Watergate scandal, ending with our president, Richard Nixon, resigning. Oklahoma's own governor, David Hall, being impeached shortly after.

Men walking on the moon, and sending rockets to the sun, Venus, and Jupiter.

The end of the draft and the Vietnam War.

Two famous entertainers saw their deaths-Elvis Presley and Bing Crosby.

The ERA campaign for equality, and its failure to get the needed passing votes.

Gas soaring from .25¢ a gallon to .70¢ a gallon-along with everything else on the market.

The big pollution evolution, and the requirement of unleaded gassed cars.

The age of the Beetles and Beach Boys, hippies and protests, moved to hard rock-n-roll and country blues, and the pot smoking drug oriented society of today.

Flower children and beatnicks became cool, far-out and funky freaks and religious cult seekers of today.

The Pepsi generation is now called the "Peppers" for Dr. Pepper drinkers of today.

Mini skirts, and maxi shirts went to the middies of today. But Levis are still hanging in there!

Disco's overpowered the old sock hops with the age of the 'Saturday Night Fever.'

Over the past pages of this book we have attempted to help you remember and preserve the most important and historic years of our lives in the seventies. We've come a long way, not only at YHS but in the world. This is 1979, the last year of our most memorable decade together.

In 10 years, open this annual, look back, remember and laugh at the "Last of the '70's."

THE END

School Comes To An End: Memories Live Forever.

"A rising (basketball) star", Todd Thurman, shows his expertese on the court.

By R. Jackson, C. Prafka, G. Godwin

Last Friday (Gina Epley, the Red Headed Woodsman (Mr. Winkles) Slivered (Bubba Brooke) down the hall toward the student union to grab a bowl of Red Hot (Dresa Moyer) Soup (Tammy Soupene). Suddenly, three Worms (Linda Greenlee, Mickey Weber, Babara Todd) appeared. The Woodsman screamed for the Mouth (Mrs. Perry), the Brain (Mrs. Adams), Maggie (Mrs. Fuchs), Lobo (Coach LoBaugh), Big Al (Allen Forrest) and his Antler (Dale Annler so they could spear the Worms. Nearby, the Hawk (Coach Teasly) was observing with his Dead Eye (Coach Kusik) from the corner clinging to his Taco (Evelyn Garcia) and Punkin?' (Ronda Bowers).

What is this anyway?! This is a special demonstration of what it would be like if everybody's nicknames were used.

Is anyone aware that the person sitting across the aisle in their 4th hour may really be a Grasshopper, a Goon, a Donkey, a Beetle, Lassie or evan a Mutt? That could be the case if Karen Privott, George Eifler, Debbie Bright, Bob Bailey, Kerry Lassiter or Mary McCoy is the one across the aisle!

How about the person walking you to class? He could easily be a Neck, an Orange, a Donk, Goofy, Sleepy, Carmine or a Rock if its Mark Dechant, Mike Campo, David Mathena, Todd Thurman, Craig Blake, Todd Lefler or Jim Seikel.

Who is Marty Herbst? Oh! ... Bell-Bottom-Box-Kite? Midsection? Moose? Zoom? Crotch and Fam? Yea, everybody knows Herbie! (By one name or another).

Isn't it amazing what nicknames people can come up with-some don't even make sense. Oh Well, what the Derf (Fred Adkinson)!

Aahhh ... is it the Fonz? Nope, only Bob Bailey and Bob Howard keepin' cool.

"What's momma gonna say!" Tony Clark exclaims as he and Robin Riddle are caught in the closet.

70's STATS

This is an in-depth look at the average YHS teenager. It is a random survey of the values of a various group of Jr. and Sr. boys and girls.

Party hardy is indeed an epidemic at YHS. This is proved by the large number of drinking, smoking, and concert going teens.

An over whelming 88% of these teens have gotten drunk at least once, with 46% drunk at least once a week.

An average of 64% of the students have smoked cigarettes at least once, 20% smoke more than once a week.

Marijuana isn't legalized in Okla. but it is used as if it were. 56% of the group surveyed had tried pot at least once and 38% of those toke weekly.

Attending concerts is a favorite event, 62% have gone to one or more concerts this year. 50% liked hard rock, while 32% liked all music, easy listening followed with 10% and country music pulled in 8%.

Many students go to games. Ever wonder why you can't get into Sonic or McDonalds on a Fri. or Sat. night? It's because you'll run into 62% of the high schoolers who drag Main Street just like in the 50's.

96% of the students have attended at least one sports event sponsored by the high school. 70% of them attend at least once a week.

How can everyone afford all of these leisure activities? 64% of the students work to get their spare money. They may save their paycheck for college, over 80% say they plan to attend. Spare money means new clothes, 32% of the group (mainly girls) said this was their main expense.

28% spend money on their car (for gas) 28% blew it on parties, and 18% either saved it, or spent it on school, junk food or the opposite sex.

Speaking of the opposite sex, 44% date at least once a week, and 88% go out at least once a month. Of these, 26% were dating before the age of 14. 74% were divided in being allowed to date at the ages of 15 or 16.

You can tell Yukon is the car capital because 66% of the students own their own car, but the other 34% have to borrow the keys from dad to use his auto.

Going to church comes but once a year to 50% of the teens, although over 76% do belong to a church. 28% attend services a least once a week, and 22% go once a month.

The most valuable thing in their lives, 66% of the students agreed, was their family; 16% noted that it was their religion, 12% valued their cars the most, and the final 2% valued their country the most.

Do these averages shock you? These show just what changes have occured (and those that haven't) in the life styles, past times and morals of the teenagers at YHS in the '70's.

Looking Back Over The Year . . .

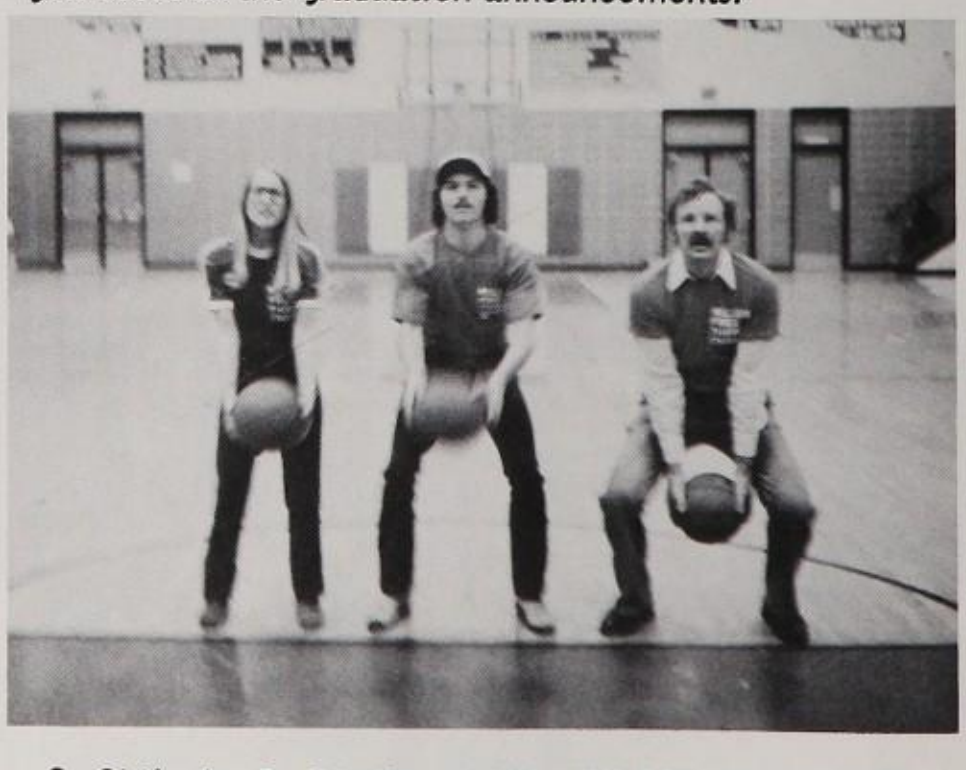
Excitement explodes at the Oklahoma Jam Rock Concert!

Mr. Briley looks happy to be measuring Pam Smith for her graduation cap and gown.

It's all in the family for Mr. and Mrs. Novak at YHS.

Another decision for a senior year is made as Larry Burgess looks at the graduation announcements.

Who will be the lucky ones to recieve John Sexton, Jerry Murphy, and Lance Blankenship in their mail?



G. Chilcote, B. Riddle, and Mr. Winkles are the Math Club free throw champs.

The Last Of The '70's

As another decade comes to an end, we stop to review the most important 10 years of our young lives.

We watched the 70's change in many ways. We made an important change ourselves. We grew up.

Remember the energy crisis? The service stations ran out of gas in the early '70's and it is happening again.

We saw four very different Presidents. Nixon, his impeachment and the Watergate hearings made a lasting impression. Ford pardoned Nixon and Carter released Patty Hearst.

The Vietnam War was ended at least, but fighting rages on in the Middle East.

Electric rollers and blow dryers influenced the hairstyles of this changing decade. The long smooth hair of the early '70's was feathered like Farrah's in 74-75. The new style emerging in the last of the 70's is carefree and kinky.

Skirts dropped from mini to mid-calf. The high heel is back in town and jeans are the fashion all around. Waisted straight-legged jeans have replaced the bell-bottomed hip huggers.

Women work and men help at home. Cars get smaller and more expensive every year.

From the Three Dog Night to Kiss; from Chicago to Boston; music has grown from hard rock through Woodstock and ended with Disco.

We have known both laughter and tears; the death of Elvis, the birth of a test tube baby.

We have come to the end of our journey together. From here we branch out. Travel on down life's tracks remembering what we've shared.

Be happy, be proud, you are a child of the '70's. Goodbye, and good luck from the Yearbook Staff.

In our community businesses many changes occured, for instance the Sonic of 1978 and the Sonic of 1971. Also Pritners came up with a brand new flower shop.

Yukon has made many new improvements in the past years. A new McDonalds was just built last year. Now Yukon has its very own "Golden Arches." Wal Mart, a store that has everything from clothes to hardware supplies now appears in the fast growing town of Yukon.

BOYD
CHEVY CHEVROLET TOWN

All over the world, there are literally thousands of successful men and women in all lines of work, who are where they are today because during their senior year they made the decision of what life would give to them. Beginning now, follow the habit of rendering more than that which is expected of you, and do it in a pleasing, Positive mental attitude. This will make friends for you, and it will attract opportunities by which you may get from life whatever it is that you most deserve. Have faith in God, in yourself and in your country.

Good Luck to all Yukon Millers,
Charles Boyd

Some of the things we'll give her you can't pay for.

Self-respect, for one thing. And warmth. Companionship. Motivation.

These are things you can't buy for someone. But everyone who comes to Spanish Cove finds them. Because Spanish Cove is more than you expect. It's not an 'old-folks' home. It's a 'home'. And the people who work here aren't just skilled in their professions. They're skilled in humanity, too.

When someone you love needs care, let it be care with love in it.

Let it be Spanish Cove.

For active individuals or couples, 62 or over. Independence and security for our residents. Peace of mind for you.

Call today for information about our tours.
